

Free Class on Health Care Directives

Who would make decisions for you if you could not due to an injury or illness?

What kind of care would you want?

Do your loved ones and health care team know your choices?

This class is for anyone who wants to create or update a Health Care Directive. We will guide you through the Honoring Choices Minnesota Health Care Directive. You will receive copies of the directive and resources to help you think about your choices.

Monday, September 23rd, 5:00-6:00 pm

2nd Floor Community Room
